Tell us about your Partnership

You will be asked to tick the relevant statements from each section below and use the text boxes to tell us more about the partnership between company and local authority building control team and why they should be considered for the award.

Working Relationships

Optional tick-box statements include:

- Pro-active contact between parties
- Good Working relationship from inception to completion
- Co-operative working relationships
- Ready and easy access to project team members
- Timely information between parties
- Regularly use local authority building control teams
- Use LABC Consult services

There will also be a comment box for you to add up to 50 words of your own text regarding the working relationship between the company and local authority building control team, should you choose to.

Innovation and Problem Solving

Optional tick-box statements include:

- Creative & innovative approach to tricky situations
- Early adopter of new ideas
- Use of new LABC Registered Details or Type Approval (please provide details in the box below)
- Good design team involvement
- Joint solutions to innovative construction
- Overcoming and communicating solutions to complex or difficult design & site conditions
- Actively keeps abreast of new regulations, technology and construction techniques

There will also be a comment box for you to add up to 50 words of your own text regarding any innovation and problem solving by the builder/craftsperson, should you choose to.

Additional Information

This is a comment box for you to add up to 500 words of your own text of additional information, should you choose to.

Comments*

This is a comment box for you to add up to 500 words of your own text to explain why you think this partnership deserves to win the LABC award.

Company Logo*

Here you will need to upload your company logo (if you have one) and up to 5 examples of your most recent partnering projects. You need to ensure that each image you upload is in jpg format and is no more than 5 MB in size, but must be over 1000pixels (this can be in height or width). This is to ensure that the events team have a good quality selection of photographs to choose from for any awards material e.g., brochures and presentations.
