

RD Certificate Number: EW8o8B

Thatch Fireboard System

This is an assessment of the TAS100 Thatch Fireboard System for use in thatched roofs. Thatch Fireboard System comprises TAS100 Thatch Fireboard (9mm thick non-combustible calcium silicate fireboard) installed over rafters prior to installation of traditional thatch roof covering.

Thatchbatt® resin bonded insulation slabs are installed between rafters supported on Thatchbatt® Wired fixing system with vapour control layer and finishing layer.

Scope of Registration

Due to space limitations, the Registered Detail certificate should be consulted for the scope of this registration.

Validity

This system has been checked for compliance in accordance with English and Welsh Building Regulations

Registration was first issued on 05/01/17 and is valid until 05/01/21 providing there are no amendments to applicable regulations.

Issue dated 29/10/2018
