Award year*

Region*

Site type* - Please indicate if you predominantly work on residential or non-residential sites

- Residential
 - Non-residential
-

Tell us more (please refer to the general & category specific judging criteria when completing these sections)

There are five mandatory subheadings as below. In each comment box you will need to add a minimum of 50 words. The text below each subheading refers to the general criteria, so please also refer to the category specific criteria.

1. Building Regulations* (min 50 words)

Give us examples of how your project/s have met building regulations. Were there detailed plans, pre-commencement meetings, timely notifications and high levels of compliance?

2. Working Relationships* (min 50 words)

Give us examples of how the team worked together, whether there were good working relationships with building control and was information provided in good time?

3. Site & Project Management* (min 50 words)

How did you ensure that sites were safe and healthy? What active waste management strategies did you use and how did you implement them? How closely were sub-contractors monitored?

4. Innovation & Problem-solving* (min 50 words)

Give us examples of innovative products used or new ideas implemented whilst working on this project. What technology and creative approaches were applied to tricky situations?

5. Overall Outcomes* (min 50 words)

Were projects delivered on time and on budget? What were the clients' requirements and were they met? How was the performance of the final product?

The final question on the form is an opportunity for you to tell us more about what is special or unique about the construction professional (e.g. Architect, Site Agent, Plan Drawer, Designer etc.) you are nominating. This box requires a minimum of 100 words

Why should this Construction professional win? (min 100 words)*

What's special or unique about this Construction professional?

Construction Professional

You will need to fill in the details of the construction professional that you are nominating including:

Postcode*

Photos*

Here you will need to upload 5 recent hi-res photos of the project/s they have worked on and a head and shoulders photo of the nominated construction professional. You need to ensure that each image you upload is in jpg format and is no more than **32 MB** in size, but must be over 1000 pixels (this can be in height or width). This is to ensure that the events team have a good quality selection of photographs to choose from for any awards material e.g., brochures and presentations.
