

## RD Certificate Number: EWW1100

### K-Kap

#### Description

This is an assessment of K-Kap from K-Kaps International Ltd for use on pre-cast concrete floor beams.

K-Kap is an injection moulded, black T shaped recycled plastic cap which can be slid onto the ends of pre-cast concrete floor beams to protect exposed reinforcing bars.

#### Scope of Registration

Due to space limitations, the Registered Detail certificate should be consulted for the full scope of this registration.

#### Validity

This system has been checked for compliance in accordance with English and Welsh Building Regulations.

LABC Warranty also accepts its use when installed and used in accordance with the Scope and Conditions of the Registered Details Certificate and in relation to LABC Warranty's current Technical Standards.

Registration was first issued on 20/12/18 and is valid until 20/12/20 providing there are no amendments to applicable regulations.

**Issue dated** 13/01/2020
