

RD Certificate Number: EW1101C

Breatheshield 140 Vapour Permeable Roofing Membrane

Description

This is an assessment of Breatheshield 140 a water vapour permeable membrane with a mass of 140gms suitable for use in all types of domestic and commercial roof applications.

The Breatheshield 140 is the entry level product within the Breatheshield range and is a high performance Vapour Permeable Underlay (VPU) that complements the range of high performance Roof Tile Underlays (RTU's).

Scope of Registration

Due to space limitations, the Registered Detail certificate should be consulted for the full scope of this registration.

Validity

This system has been checked for compliance in accordance with English and Welsh Building Regulations.

Registration was first issued on 04/06/19 and is valid until 04/06/23 providing there are no amendments to applicable regulations.

Issue dated 01/10/2020
