

Proven in keeping the noise down!

LABC Acoustics work seamlessly with all Building Control Departments to ensure project success from planning to final pre-completion testing.

We offer a “price guarantee” to all clients of LABC.

Our services include:

- Sound Testing (ADE)
- Sound Insulation design Desktop Studies
- Environmental noise impact assessments
- Commercial and Industrial noise assessments

We're listening....!

“I would like to thank you for your input in helping us to get the positive sound test results we needed”
