

## RD Certificate Number: EW445B

### Monolith - BrickPlus Pro (Brickslips System)

#### Description

This is an assessment of BrickPlus Pro (Brickslips System) which can be defined as facing layer mortar-based lightweight limestone or glassfibre-reinforced concrete (GRC) brick-slips and factory- embedded glassfibre reinforcement mesh. It is suitable for use on external or internal walls of masonry including dense or no-fines concrete and insulated concrete forms (ICF) construction, on both new and existing domestic and non-domestic buildings, with no height restriction.

#### Scope of Registration

Due to space limitations, the Registered Detail certificate should be consulted for the full scope of this registration.

#### Validity

This system has been checked for compliance in accordance with English and Welsh Building Regulations.

Registration was first issued on 15/12/14 and is valid until 15/03/23 providing there are no amendments to applicable regulations.

**Issue dated** 04/08/2021
