

RD Certificate Number: EW1108

Diamond GRP Roofing System

Description

This is an assessment of Diamond GRP Roofing System, used for waterproofing of roofs.

A Diamond roof is a single-ply GRP laminate consisting of Diamond Resin and Reinforcement Chopped Strand Mat applied in situ over 18mm OSB3 deck. The roof is finished with pre-formed GRP edge trims and a coat of Diamond Topcoat. To achieve the BS 476 Part 3 – F.AC Fire Rating the Fire Retardant Topcoat with granulated finish must be used.

Diamond GRP Roofing System offer a 25 year guarantee on roofing materials.

Scope of Registration

Due to space limitations, the Registered Detail certificate should be consulted for the full scope of this registration.

Validity

This system has been checked for compliance in accordance with English and Welsh Building Regulations.

Registration was first issued on 23/11/21 and is valid until 23/11/22 providing there are no amendments to applicable regulations.

Issue dated 23/11/2021
