

## RD Certificate Number: EW510D

### Thermarestor TSW

#### Description

This is an assessment of the Thermarestor system, a pre-ignition solution to the problem of electrical fires caused by excessive heat resulting from loose connections, prolonged overloads and arcing.

Thermarestor TSW is a miniature thermal switch in component form for manufacturers and system builders, designed to operate at  $80^{\circ}\text{C} \pm 5$ .

#### Scope of Registration

Due to space limitations, the Registered Detail certificate should be consulted for the full scope of this registration.

#### Validity

This system has been checked for compliance in accordance with English and Welsh Building Regulations.

Registration was first issued on 09/01/15 and is valid until 09/01/19 providing there are no amendments to applicable regulations.

**Issue dated** 12/01/2018
