

RD Certificate Number: EW166B

Cavitytrays Type X, Type G, Type GBOT, Advantage, Type E and Caviweep Type W

Description

Cavitytrays Type X, Type G, Type GBOT, Advantage, Type E and Caviweep Type W is a polypropylene damp proof course system for use as a damp-proof course in cavity walls with an outer leaf of brickwork or, in timber-framed constructions, with a masonry cladding or skin. It is a DPC system for use in masonry cavity wall construction or in timber wall construction where a masonry skin is being utilised.

Scope of Registration

This certificate relates to a polypropylene damp proof course system for use as a damp-proof course in cavity walls with an outer leaf of brickwork or, in timber-framed constructions, with a masonry cladding or skin.

Validity

This system has been checked for compliance in accordance with English and Welsh Building Regulations.

Registration was first issued on 23/12/11 and is valid until 22/03/21 providing there are no amendments to applicable regulations.

Issue dated 30/01/2018
