

RD Certificate Number: EW1029

Firestop 20 Professional GRP System

Description

This is an assessment of Firestop 20 Professional GRP System used for waterproofing of roofs, balconies and walkways.

The System consists of Firestop 20 Professional Base Resin and Chopped Strand (CSM) Fibreglass Reinforcement Roll / Taping Mat applied insitu over a good quality OSB3 deck. The roof is finished with pre formed GRP edge trims and a Firestop 20 Professional Top Coat.

Scope of Registration

Due to space limitations, the Registered Detail certificate should be consulted for the full scope of this registration.

Validity

This system has been checked for compliance in accordance with English and Welsh Building Regulations.

Registration was first issued on 10/04/18 and is valid until 11/07/20 providing there are no amendments to applicable regulations.

Issue dated 10/04/2018
