

RD Certificate Number: EW07

Beattie Passive Build System

Description

Beattie Passive Build System is for Residential Dwellings, Detached, Semi-Detached and Terrace up to 3 storeys.

Scope of Registration

This Registered Detail relates to a build system for Residential Dwellings, Detached, Semi-Detached and Terrace up to 3 storeys. The system provides a continuous insulation seal around a timber core construction. The Detail relates to the system build type, and full compliance with Building Regulations must be demonstrated on a plot-by-plot basis.

No Image Available

Validity

This system has been checked for compliance in accordance with English and Welsh Building Regulations.

Registration was first issued on 29/01/10 and is valid until 25/06/21 providing there are no amendments to applicable regulations.

Issue dated 25/05/2018
