

RD Certificate Number: EW8o8A

Thatch Firewall Membrane System

Description

This is an assessment of the Thatch Firewall Membrane System for use in thatched roofs. The system is for use on existing thatched roofs which cannot take the rigid Thatch Fireboard system. The system comprises Thatch Firewall Membrane (flexible fibre glass woven fabric coated both sides with organic aluminised polymer system) installed over rafters prior to installation of a traditional thatch roof covering.

Please consult Registered Detail certificate for full description.

Scope of Registration

Due to space limitations, the Registered Detail certificate should be consulted for the scope of this registration.

Validity

This system has been checked for compliance in accordance with English and Welsh Building Regulations

Registration was first issued on 05/01/17 and is valid until 05/01/21 providing there are no amendments to applicable regulations.

Issue dated 24/05/2018

Further Information
