

RD Certificate Number: EW05D

ARC Rainscreen Barrier (2 Hours Fire Integrity)

Description

ARC Rainscreen Barrier is a Rainscreen Barrier capable of achieving 2 hours fire integrity in a ventilated cavity.

Scope of Registration

This Registered Solution relates to ARC's Rainscreen Barrier, designed to provide a horizontal fire and smoke seal in the event of a fire with up to 2 hours fire integrity. The product maintains a 25mm clear airspace in normal use to allow a ventilated cavity.

Limitations on use apply as detailed in Conditions below.

Image not available

Validity

This system has been checked for compliance in accordance with English and Welsh Building Regulations.

Registration was first issued on 06/05/11 and is valid until 28/11/18 providing there are no amendments to applicable regulations.

Issue dated 27/11/2015
